

Services withdrawal: Declaration of plan to discontinue lease, rental, and maintenance services for selected machines

Withdrawn machine types/models	2
Order now	18

Overview

Periodically, IBM provides notice to customers of plans to terminate maintenance services for machines under an IBM Agreement. At this time, we are providing notice that selected machine types and models will be discontinued from maintenance services. Refer to the Withdrawn machine types/models section for a complete list of the machine types and models and their effective dates.

IBM will send not further correspondence of this nature for these machines.

Effective dates

- Original Equipment Manufacturer (OEM) — September 30, 2007, and October 31, 2007
- List A — December 31, 2007
- List B — June 30, 2008
- List C — December 31, 2008

For ordering, contact:

Your IBM representative, an IBM Business Partner, or the Americas Call Centers at

800-IBM-CALL Reference: YE001

Withdrawn machine types/models

Original Equipment Manufacturer (OEM) products

IBM will withdraw from its maintenance agreements the IBM machine type/model and feature numbers for the OEM products listed below, effective September 30, 2007.
